Fairytale Weddings

For an extraordinary hotel wedding, surrounded by natural beauty.

Westport Woods Hotel is a four star destination hotel in Co. Mayo that prides itself on being fabulously private and secluded. With beautiful gardens and a lakeside vista, the 7-acre estate is also bordered by private woodlands. Only a short distance away, stunning beaches stretch across to Croagh Patrick, offering the best of the rugged West for true romance on your wedding day.

An Enchanted Place

A Westport Woods Hotel wedding can be a candlelight trail to a dreamy woodland blessing, or an opulent banquet following your ceremony in our gorgeous Mulberry Suite. Stage your band in our pretty gazebo for an al-fresco aperitif hour! Ours is an eclectic venue setting for all styles of celebration - grand or intimate, indoors or out.

Our Mulberry Suite brings the outside in with floor to ceiling windows. These are a beautiful focal point that overlook our gazebo, woodlands, lake and gardens, providing that all-important natural daylight and creating a romantic evening ambience with our up-lit woodlands. Whether you're having 50 or 350 guests, we still capture that intimate experience your guests will love.
